The following inventory consists of discontinued items, misordered items and surplus inventory. Most is current merchandise but some of the colored ribbons and a few of the nylon printer ribbons have gathered some dust. All sales are final unless product is obviously defective. Lift-off tapes must be ordered in multiples of six. Add \$4.95 shipping/handling per order. Credit card orders may be placed by phone. On mail-orders we suggest that you call and reserve product before sending money.

Good morning,

The Ribbon Warehouse has recently acquired the assets of Parcels By Post, a mail order company from whom you purchased office machine supplies in the past.
